5. Mandatory Pre-Press & Artwork Corrections

- [ ] Correct typo 'RECYCABLE' to 'RECYCLABLE' on recycling callout badge.
- [ ] Correct typo 'DIETRAY' to 'DIETARY' in Nutrition Facts panel (Dietary Fiber).
- [ ] Remove non-printing dieline guide text from final artwork layers ('Front panel Orientation', 'Copy free', 'Dieline - Do Not Print').
- [ ] Add mandatory US Net Quantity declaration 'NET WT 16.9 OZ (480g)' to bottom-right 30% of PDP in bold, legible type meeting 21 CFR 101.7 height standards.

- [ ] Delete the Certified Vegan logo from the front panel and replace 'suitable for vegetarians (vegan)' with 'Suitable for Vegetarians' on back panel.
- [ ] Delete 'NO ADDED SUGAR' badge from the top flap and back panel.
- [ ] Delete non-compliant UK traffic-light nutrition lozenges from the back panel.
- [ ] Replace existing side Nutrition Facts panel with FDA 2016 format based on verified 60g serving size (8 servings per container), updating calories, fat breakdown, carbs, and added sugars.
- [ ] Revise Allergen statement to bold standard: 'CONTAINS: ALMONDS, PECANS, WALNUTS. MAY CONTAIN: BRAZIL NUTS, OTHER TREE NUTS, WHEAT.'
- [ ] Add text 'Serving Suggestion. Fresh fruit not included.' adjacent to the cereal bowl photography on both front and back panels.
- [ ] Verify UPC-A barcode '1 20000 00003 6' dimensions, check digit, scale factor, and minimum quiet zones (0.25 in left/right) on solid white background.

6. Open Questions for the Design Agency

❓ Confirm print trapping tolerances, bleed margins (minimum 1/8 in / 3.175 mm), and fold crease allowances specified by the designated folding carton converter.

❓ Verify whether the interior pouch barrier material utilizes pre-printed film or clear film with an eye-mark requirement.
